

REMARKS

This is to supplement applicant's response dated June 14, 2004, and the teleconference between applicant's attorney and Examiner Brian Glessner this morning. Applicant indicated in its June 14, 2004 response that it proposed deleting "one of" from line 15 of claim 21 to deal with the Examiner's § 251 improper-recapture rejection. By the above-identified supplemental amendment, applicant is formalizing what it proposed in its June 14, 2004 response.

Accordingly, applicant respectfully requests allowance of the reissue application and reissuance of the patent.

Respectfully submitted,

KOLISCH HARTWELL, P.C.
